

## Charity Donation Report January 2022

### 500K YouTube Subscriber Milestone

As a way of marking the occasion of reaching 500K subscribers on our YouTube channel, Minds in Unison has made a donation of \$500, divided equally between the following two charities.

WaterAid has teams in 28 countries across the world, working to transform millions of lives every year by improving access to clean water, toilets, and hygiene. At the time the donation was made, the UK government was matching the donations to their project to bring clean water to schools in Nepal, so we made double the difference! You can find out more about the charity here: <https://www.wateraid.org/uk/>

Blue Cross believe in helping pets - because pets help us. There's plenty of research that shows that having a pet can reduce stress, anxiety and depression, ease loneliness, encourage exercise, and improve our overall health and wellbeing. Blue Cross have been helping sick, injured, and homeless pets for 125 years. You can find out more about the charity here: <https://www.bluecross.org.uk/>

When transferred into British pounds on 19<sup>th</sup> January 2022, the \$500 dollars converted to £368, and as you can see from the receipts below, each charity received £184.

I'd like to take this opportunity to thank everyone who has supported Minds in Unison over the past few years. I really do appreciate it 😊

Hi Mr Thomas Hall,

**We've received your donation and I can't thank you enough!**

Health. Happiness. Safety. A chance at a better education or a better job.. It's amazing what clean water, decent toilets and good hygiene can bring.. Your donation will have double the impact as until 15 February 2022, the UK government will match your donations up to £2 million. Match funding will bring clean water, decent toilets and good hygiene to schools in Nepal and worldwide, so that generations of girls get the chance to learn.

Below you'll find confirmation of your donation, so please check the details and keep this email safe. If you have any questions about WaterAid or your gift, please give us a call on 020 7793 4594 or email us on [supportercare@wateraid.org](mailto:supportercare@wateraid.org). **Hi Thomas, thank you so much for donating £184.00**

It's wonderful to know that people like you care so much about animals because without your support we simply wouldn't be able to do our lifesaving work.

Pets are at the heart of everything we do. Each year, thousands of cats, dogs, small pets and horses turn to our animal hospitals, clinics and rehoming services for treatment and to find them the happy homes they deserve. Our vision is that every pet will enjoy a healthy life in a happy home – thanks to you, we're now a step closer to achieving this.
